Carranza Declares all Paper

Issued by Banks Under

Huerta Void.

Advices from Mexico City, in El Paso Minday afternoon, report the exemption of Adelaido Valasquez, an attorney, and Salustio Barrena, lithegrapher, on charges of counterfeiling the national currency; also the escape of Leo. polito Cardona, condemned to death for the same crime, in the disguiss of a woman, at sight. "In answer to questions by the Mexico City banks regarding their acts in basing paper money under the Victoriano Ruerta regime, the reply has been made," continues the wire, "to the effect that all such acts ware illegal and void and not to be countenanced by the Constitutionalist government. This was foreshadowed, it was stated, when the banks were given 65 days to which to make good a legal reserve behind their paper.

PRESIDENT ORDERS HIS CRI

Burkitt, Who Criticised the President for Becoming En gaged so Soon, is Removed By Department, But Wilson Declares Other Charges Must be Shown if the Assistant Postmaster is to be Discharged.

Claimed Removal Pregular.

In appealing to the postoffice department Burkitt protested that his removal had been irregular, that no formal charges had been filed against him and that he had been given no apportunity to reply. Daniel C. Roper, third assistant postmaster general, is maid to have replied that the civil service laws had been fally complied with. Mr. Roper, when asked about the case, said he did not remember it very clearly, but had the impression that matters other than the remarks about the president led to Burkitt's removal. He said he probably would issue a statement.

COLLIDE; TWO INJURED

A june car driven by Jose Chaver and W. J. Moran's Reso collided on Mills street Sunday evening at six o'clock. The women who were riding in the jilns car were slightly injured and were given treatment at the emergency hospital and then to their homes. Moran's auto was budly damaged, being struck from behind and the cear lamp and body damaged. Chaves was errested in a charge of reckless driving.

JITNE AND TOURING CAR

SPANISH CLASSES TO START

President Wilson today instructed postumaster general Burleson to reimitate Gearne Burkitt, removed as assistant postumaster at Winnaka. Hit became he criticised the president for his engagement to be married. The president qualified his instructions by realized qualified his instructions by feeling the postumaster general that Burkitt should be restored in his postified in the treatest that Burkitt should be restored in his postified in the postumaster general that Burkitt should be restored in his postified in the postumaster general that a brief conference with president was a brief conference with president with a brief conference with president with a brief conference with president with the postumaster, charging him with disloyalfy and calling alternation to demorits placed against him.

Chamed Bemoval President

Chamed Bemoval President

In appealing to the postoffice dependent entirely disapprived of discharges had been fired against that no formal charges had been given no post of the president with the post of th

Other Charges Preferred!

Diker Charges Preferred?

In published correspondence between Burkitt and postmaster A. M. Kisopfer of Winnetka, it was stated that Burkitt had been given demerits for other things than the remarks about the president's engagement. That Burkitt ienied. The president made it clear that Burkitt should not be discharged for merely experessing the view that a man should not become engaged eithin a year after the death of his vife.

It was stated at the white house that postmanter general Burleson had no knowledge of the case before it was called to his attention by publication in newspapers. The discharge of Burkitt was approved by assistant postmanter general Roper, after an exchange of letters with Burkitt

change of letters with Burkitt

Publicity Annoys White House.

Whitehouse officials were annoyed by the publicity given to the case and it was expected that postmaster general Burleson would act immediately on the president's instructions.

President Issues Statement.

A statement was issued at the whitehouse anying that the action of postmaster Kleepfer in removing his assistant from office because he criticised president Wilson's engagoment to be married was taken "without the

dents.

Pield Hospital.

If you should be taken sick while at the military tournament, Wednesday and Thursday, at Washington park you need have no fears, for Gen. John J. Parshing, commanding the Eighth brigade, has had Maj Frank C. Baker, who commands field hospital No. 3, put up as much of his hospital as there is room for.

Two wards and two of the administrative tents will be pitched. Each ward has 15 cots and there are six wards in a fully equipped establishment.

the wards the various ways of

wards in a fully equipped establishment.

In the wards the various ways of taking care of men in an emergency are shown as to sleeping arrangements. Here you will find the resular folding camp out, bed sacks filled with straw and the army rubber blanket bed, which is used when nothing else for the sick and wounded can be devised. The hospital kitchen will be in full blast and field ranges and camp leather will be displayed. The methods of proparing diets will also be shown.

The surgical ward will be set up and all the field instrument chests will be placed on exhibition. The system of securing lights for the operating work will be set up. This establishment is well worth a visit.

Field Baking.

You are to be confronted with a large sign bearing this cordial inscription:

"Field Bakery, U. S. Army.

Buy a Bun for Charity.

Gen, Fershing is desirous of having the work of the various branches of the army fully shown, and he has had capt. A. P. Watts, the quartermaster at Fort Bling to set up two units of the field bakery. Each unit has a capacity of 1200 pounds of bread daily, and both the 6th and 18th infantry regiments are received will be given this camp now; instead of from Fort Bliss. A pound of bread will make about ten buses and these are to be nold at the rate of three for contact the money thus received will be given by Gen. Fershing to some local charity. Each unit has a chief baker, an assistant chief baker and four lakers. The equipment folds up and, as it is light, the whole bakers can be moved from plants to plance easily.

Holiday Tuveday Afternoon.

Mayor Lea has declared Tuesday aft-

Have Advanced That Far North, Rebuilding Road Destroyed by Villa.

The indicated line destroyed by Villa-com Torreon to Jimenes has been re-duced and is connected for through driners whenever conditions permit.

business whienever conditions permit according to surferred Carrancista advices in EI Paso Menday boon. Military complications between the farthest north of the Constitutionalist and facthest south of the Villista factions hinder the operation of the infections hinder the operation of the infections hinder the operation of the factions and Chilisaban city are still connected under Villa government control through to the border, the exact location of the extremes of the opposite military fronts in upper bursance state seems for the first time in many weeks to have been defined at last as in the immediate vicinity of Jimenes station.

Recent reports at Junear and in Ei

thest south of the Constitutionalist and farthest south of the Villista factions hinder the apparation of traifs over the newly rebuilt road. It is declared.

With advices in Villista circles and American mining men here that Parial. Jimenes and Chilushus city are still connected under Villa gayerument control through to the border, the exact location of the extremes of the apporting military fronts in upper lurange state neems for the first time in many weeks to have been defined at last as in the immediate vicinity of Jimenes station.

There is a far down as Essalon. Nothing has herestofore come to discredit this statement, and in face of the announcement new southed for that the rail line between Torrean and Jimenez is connected and ready for the announcement new southed for that the rail line between Torrean and Jimenez is connected and ready for the announcement of the matter of a few miles spart.

GETS 850 GOATS AT BORDER

As a collector of gents, the Degichs feederal anthorities are in feed high honors. Eight hundred and fifty belongs to W. C. Hale were feederily rushed arrows the international line to avoid failing into the clutches of Villa's split fire time that the customs regulation of make the many series to met.

Hale chilms that he made application of the same and the fire time that the cast one prospects of getting around at once, he drove them in a body over the line at a point three miles east of Douglas. He has them curreled and ready for the amount of the Villatas and Carrier and the fire findings but see goats have been relied for the present.

VILLA TO GET TWO CARS OF COAL FROM THIS SIDE DAILY

COAL FROM THIS SIDE DAILY
The embargo which has kept Villa's
railroads from getting fuel from this
side of the line has been broken and
working with Washington direct by
telegraph, the law firm of Lessing and
bowen of El Passo, asmounced Mendag
that iwa care of coal a day have started
crossing over the Rio Grande for Villa
railway systems.

The first two carloads of coal passed
to Junese Saturday afternoon, and two
more went over Monday, with arrangement completed with the Washington
authorities for a daily allotment of two
cars of this fuel. The vie up of traffie
over the National railways line, and
threatened tie up of the North Western system, has been brought to as end,
it is claimed. MEXICAN REFUGEES IN LOWER RIO GRANDE RETURN HOME

Austin, Tea. Nov. 15.—Mexican refugees who have been existing on this side of the berder in the lower Rio Grando valley for some time past, are now returning to their houses in Mexico by the hundreds, now that the revolution is practically over, according to Prof. J. S. Bunn, county school superintendent of Hidairo county, who is here on husiness with the attorney general's department. He said that not less than 100 from Hidairo alone have alrendy returned across the bucker. He stated also that the border situation in the lower Rio Grande valley is fast becoming normal again.

HERTA EXCESS CURRENCY
IS DECLARED INVALID
Galveston, Terms, Nov. 12.—The treasury department of the defacto government is Mexico has notified banks that paper currency issued during the Huerta regime, in excess of the legal reserve, will be held invalid, according to information reaching the Mexican consulate here today. FORMER VILLISTAS ARE TAKEN THROUGH TO CARRANZA ZONE

One hundred and twenty-four Villiam description and half a dozen woman passed through El Paso Sunday from that paper currency issued du Hunria regime. In excess of E railroad faren said for thum by the Carrancista government, which also gave each man 15 for expenses on route.

A United States army sergeant and aix privates and an immigration in spector escorted the shipment of men.

SEVEN ARE ENDANGERED WHEN YACH IT B

CARRANZA MONEY ARRIVES HERE IN A BIG WOODEN BOX

One hundred thousand pesses in Carranza currency arrived at the El Pano Mexican consulate Monday morning by express for exchange for old paper of the Constitutionalist government. It came in a big wooden box, and the shipment looked like nothing more than a consignment of cannot goods.

CARRANZA TROOPS FIGHT

Largedy, Tex., Nov. 15.—That the Carranna forces have at last taken scive measures against their border guerilias who have been making trouble for Texas along the Rie Grande. Is evidented by reports of fighting Saturday at Tula. Issuallyas.

Passengers reaching the border say there is still some shortage of food in Maxie been appealing how the following store of the railread operations. Bands of maranders who have been appealing along the line from the expital to Veracraz are being killed or driven away.

FOOD IS SCARCE IN VILLA

TERRITORY SOUTH OF JUAREZ

Dr. J B. Brady of the Southwestern Paving company appeared before the county commissioners Monday meaning seeking to have the court consider other precifications than bitnithile for the proposed paving down the valley, for which bids are to be invited. Commissioner Seth B. Orndorff stated that he personally favored only hitnithile, and commissioner George Pendell took the same position. Issuing the discussion Mr. Orndorff Indicated that the nationally of the board favor only hitnithic and camerate as the materials to be used in building pavet roads under the \$180,000 bond issue woted it August.

The commissioners, to sension, decided definitely to consider only the list of the Hamilton company of Dallias and the Elliott Engineering company of El Paso for the Instalation of heating and ventilating systems in the new courthouse. Paving company appeared before the county commissioners Monday mocning seeking to have the court consider other specifications than bitulithe for the proposed paving down the valley. The which hids are to be invited.

Commissioner Seth R. Orndorff stated that no personally favored only bitulished and commissioner George Pendelt took the same position. Ingring the discussion Mr. Orndorff Indicated that the naiority of the beard favor only hitulished and concrete as the materials to be used in building pavet roads under the Handloo bond issue voted it August.

The commissioners, in session, decided definitely to consider only the hids of the Handloo company of Dailas and the Elliott Engineering company of El Paso for the Instalation of heating and ventilating systems in the new courthouse.

The bid of the Dallas company was 145,836 on the courthouse alone, or \$75,965 including courthouse, jail, power plant and temperature regulation system.

SMUGGLED ALCOHOL SOLD. ing hattle, there is little prospect for any further villa successes in Sonora, it is generally conceded Acting governor Carlos Randall, supposed to be friendly to villa, still holds Nogales, and villa still holds Cananea.

Gen. Obregon when he took the field after villa Sanday evening said Gen. M. M. Dieguez, heavily reinforced at Hormoulle by late arrivals of Carrana troops from turaymas, was resity to cooperate with him, and that villa would soon be caught between the two armies.

SMUGGLED ALCOHOL SOLD, ANDREAS PRINCIPAL BUYER,

TERRITORY SOUTH OF JUAREZ

Jarez was reinforced Sunday night
by the arrival of a troop train from
the south, stated to be the detachment
sent down in little noter a week ago
under Gen. Cannito Reyes, increasing
the garrison across the river to about
1800 men again.

J. Y. Bankin and a train of bullion
from the Parral district were expected
at Juares Monday night or Tuesday
morning, coming through by way of
Juares and Chihnahua city.

A train reached the border Saturday
night from Chihnahua uninterrupted
and communication is declared in Villa
headquarters across the river as ininterrupted for the entire rame up
from Parral and from just above Encaion, where there is atationed a garrison of some 1506 Villistas foot and
cauchy, according to acrivals.

Food is scarce find living conditions
for civilians are desperate, these arrivals state. Poreigners sticking it out
under the present circumstances are
given less than a month to acquire
cold feet aufficient to bring them conrying to the border by whatever method
of transportation is open.

The lack of a Carranga troop move
ment north out of Torreon is calling
down much condemnation from those
forsigners who have been patiently
awaiting for the change of control of
the mining and farming districts north
of the Furango state line.
